

For All the Saints
Traditional Hymn

For all the saints, who from their labors rest,
Who Christ by faith before the world confessed,
Your name, O Jesus, be forever blessed.
Alleluia, Alleluia!

You were their rock, their fortress and their might;
You Lord, their captain in the well fought fight;
You in the darkness deep, their one true Light.
Alleluia, Alleluia!

O may we soldiers, faithful, true and bold,
Fight as the saints who nobly fought of old,
And win with them the victor's crown of gold.
Alleluia, Alleluia!

But look! There breaks a yet more glorious day;
The saints triumphant rise in bright array;
The King in glory coming on His day
Alleluia, Alleluia!

Alleluia, Alleluia! Alleluia!

SINGING WITH THE SAINTS

by: JOHN DARIN ROWSEY, JOHN STARNES, DARYL K WILLIAMS

Heaven's getting ready for an end-it-all celebration
To begin eternity with a righteous congregation
This world's comin' to an end and it won't be long
The party's gonna start and go on and on and on

I'll be singin' with the saints at the morning light
Ringin' in the day 'cause there is no night
Sayin' goodbye to the heartache
Trouble and pain
I'll be sittin' at the throne with an angel band
Shoutin' hallelujah to the great I AM
If you think it's a dream well, it ain't
I'll be singin' with the saints

The tambourine's ringin' and David starts to feel the rhythm
Paul and Silas are hummin' a tune they wrote in prison

Well, Gabriel hears the music and he picks up his horn
It's just another glory hallelujah morn

And I'll be singin' with the saints at the morning light
Ringin' in the day 'cause there is no night
Sayin' goodbye to the heartache
Trouble and pain
I'll be sittin' at the throne with an angel band
Shoutin' hallelujah to the great I Am
If you think it's a dream well, it ain't
I'll be singin' with the saints
(x3)

I'll be singin' with the saints, yeah yeah, yeah yeah

"He Loves"

Steve Marshall & John Rowsey

In my weakness, through the struggles
When I'm questioning why
In my grief and every sorrow
When I have to say good-bye
He whispers, "Peace" and my heart understands
The God who made the world He holds me in His hands

He knows. He cares.
He sees. He's there.
No matter what goes on
I know I'm not alone
He hears. He moves.
There's nothing that my Father wouldn't do
To prove to you and me how much He loves.

The God of Jacob, the God of Moses
The God of Abraham
The God of David, the God of Isaac
The God of who I am
He spoke the universe with, "Let it be!"
It's all about Him, yet He's all about me

He knows. He cares.
He sees. He's there.
No matter what goes on
I know I'm not alone
He hears. He moves.
There's nothing that my Father wouldn't do
To prove to you and me how much He loves.

PRAISE TO THE LORD

Traditional Hymn

Praise to the Lord, the Almighty, the King of creation!
O my soul, praise Him, for He is thy health and salvation!
All ye who hear, now to His temple draw near;
Praise Him in glad adoration.

Praise to the Lord, who o'er all things so wondrously reigneth,
Shelters thee under His wings, yea, so gently sustaineth!
Hast thou not seen how thy desires e'er have been
Granted in what He ordaineth?

Praise to the Lord, who doth prosper thy work and defend thee;
Surely His goodness and mercy here daily attend thee.
Ponder anew what the Almighty can do,
If with His love He befriend thee.

Praise to the Lord, O let all that is in me adore Him!
All that hath life and breath, come now with praises before Him.
Let the Amen sound from His people again,
Gladly forever we adore Him.

Gladly forever adore Him.
Gladly forever adore Him.
Praise to the Lord!

I've Got My Reservation

Words by Jenna Bolerjack

Music by Blake Bolerjack

I've got my reservation my name's written down
I have a home, family and crown
I've got my reservation, it's good, it's done, it's set
I've got my reservation, it's proved by the Holy Spirit

I hear there's golden streets and jasper walls of green
My mansion's waiting for me like nothing else I've seen
My Savior's there in Glory I know that it's true
To Heaven I am going, so friend I ask are you?

I've got my reservation my name's written down
I have a home, family and crown
I've got my reservation, it's good, it's done, it's set
I've got my reservation, it's proved by the Holy Spirit

No more tears or wailing, no more night or cares
This place is safe and spacious, no cause for harm or fears
The Bible says, "Believe in Jesus to be saved"
This made my reservation, I'll enter on that day

I've got my reservation my name's written down
I have a home, family and crown
I've got my reservation, it's good, it's done, it's set
I've got my reservation, it's proved by the Holy Spirit

I've got my reservation my name's written down
I have a home, family and crown
I've got my reservation, it's good, it's done, it's set
I've got my reservation, it's proved by the Holy Spirit

Lord Have Mercy
Traditional Text

In peace we have come to pray and to seek the Lord today
For salvation from his hand for the healing of our land
Let us pray , let us pray

Lord have mercy, Lord have mercy
For we have placed all our hopes in Thee
Lord have mercy, Lord have mercy
For we have placed all our hopes in Thee

For our sin we repent Oh Lord
We believe your Holy Word
Have mercy Lord we pray
And take all our sins away
Kyrie Criste

Lord have mercy, Lord have mercy
For we have placed all our hopes in Thee
Lord have mercy, Lord have mercy
For we have placed all our hopes in Thee

If you would mark iniquity
Oh Lord who could stand
But mercy like a fountain flows from your hand

Lord have mercy, Lord have mercy
For we have placed all our hopes in Thee
Lord have mercy, Lord have mercy
For we have placed all our hopes in Thee

Bring On The Storm
by Blake Bolerjack

It was right in the middle of bright sunny day
The clear blue turned to charcoal gray
I found it hard to keep my fear at bay
It was brewing up a storm
I saw a rushing wind push against the sail
There was no time for me to bail,
“What’s going to happen I’m sure to fail”,
that was a crippling thought.
Well Jesus said I see a chance for you to grow
Let’s face the storm go toe to toe
Here we go

Bring on the storm
Bring on the thunder
Let it rain, let the hurricane swarm
Oh I know my Lord can calm the raging sea
But if He says it’s good for me
Then bring on the storm

Well, most of the time I wanna run and hide
I never want to go against the tide
And in the moment fear and faith collide
Yeah it’s brewing up a storm
I find he can mold me in the rain
And just when I’ve gotten through the strain
Don’t stop you’re in the eye of a hurricane
Is it ever gonna end?
Well, Jesus said I see a chance for you to grow
Let’s face the storm go toe to toe
Here we go

Bring on the storm
Bring on the thunder
Let it rain, let the hurricane swarm
Oh I know my Lord can calm the raging sea
But if He says it’s good for me
Then bring on the storm

Bring it bring it on bring on the storm
Bring it bring it on bring on the storm

Oh I know my Lord can calm the raging sea
But if He says it’s good for me
Then bring on the storm

“All Is Well”
Jessica Campbell, Jason Cox & Keith Smith

You are the anchor that holds on to my soul
Through rushing waters you never let me go
Life will bring its share of hurt and pain
But through it all you've taught me to say

All is well, what have I to fear
All is well, God I know you're here
Through the chaos I am held
All is well

You have a reason, a purpose and a plan
So I'm gonna trust you when I don't understand
When things don't turn out like I think they should
You're still working all things for my good

All is well, what have I to fear
All is well, God I know you're here
Through the chaos I am held
All is well

All is well because of what you've done
All is well, Your love has overcome
You're the God who never fails
All Is Well

In my sorrow you are joy
In my weakness you are strength
When I'm broken you are healer
In your presence there is peace

All is well, what have I to fear
All is well, God I know you're here
Through the chaos I am held
All is well
because of what you've done
All is well, Your love has overcome
You're the God who never fails
You're the God who never fails
All Is Well

HE LIVED TO TELL IT ALL

The clouds were dark and heavy
The cross already stained
They pulled his lifeless body down
To take him to the grave
But three days later
Hid behind that wall
The man that they had buried
Lived to tell it all

He lived to conquer death
and end mortality
He died to give us life
and life abundantly
Infallibly he proved himself
to everyone he saw
Jesus died and rose again and he lived,
he lived to tell it all

He died and rose to tell
about the promise he would send
Tarry in Jerusalem until the Holy Ghost descends
take the gospel message
be faithful to the call
Tell them that I died and lived to tell it all

No grave held his body down
No grave held his body down

He lived to conquer death
and end mortality
He died to give us life
and life abundantly
Infallibly he proved himself
to everyone he saw
Jesus died and rose again and he lived,
he lived to tell it all

He's alive, he's alive, he's alive and I'm forgiven
Heavens gates are open wide
Infallibly he proved himself
to everyone he saw
Jesus died and rose again and he lived,
he lived to tell it all

HE IS RISEN

Jay Stocker

He is alive, He is risen
The stone rolled away, He is risen
Death has lost, Life has won
Jesus saved our souls

Touch the scars in His hands, He is risen
See the glow on His face, He is risen
Our Savior lives and we have life in Him
Jesus saved our souls

Hallelujah, Hallelujah
Christ our Lord is risen
Hallelujah, Hallelujah
Jesus is alive

The work of the cross, it is finished
Vict'ry is won, He is risen
Salvation sealed for all eternity
Jesus saved our souls

Hallelujah, Hallelujah
Christ our Lord is risen
Hallelujah, Hallelujah
Jesus is alive

Hallelujah, Hallelujah
Christ our Lord is risen
Hallelujah, Hallelujah
Jesus is alive

WE BELIEVE

We believe in the Father, who created all that is
And we believe the universe and all therein is His
As a loving heavenly Father, He yearned to save us all
To lift us from the fall
We believe

We believe in Jesus the Father's only Son
Existing uncreated before time had begun
A sacrifice for sin, He died then rose again
To ransom sinful men
We believe

We believe in the Spirit who makes believers one
Our hearts are filled with His presence
The Comforter has come
The kingdom unfolds in His plan
Unhindered by quarrels of man
His church upheld by His hand
We believe

Though the earth be removed
And time be no more
These truths are secure
God's word shall endure
Whatever may change, these things are sure
We believe

So if the mountains are cast down into the plains
When kingdoms all crumble, this one remains
Our faith is not subject to seasons of man
With our fathers we proclaim:
We believe our Lord will come as he said
The land and the sea will give up their dead
His children will reign with Him as their head
We believe
We believe
