## 1. The Lord's Prayer

Matthew 6:9-13

Our father who art in heaven  
Hallowed be thy name  
Thy kingdom come, thy will be done  
On earth as it is in heaven.

Give us this day our daily bread  
And forgive us our debts as we forgive our debtors.  
And lead us not into temptation but deliver us from evil  
For thine is the kingdom and the power and the glory  
Forever Amen

## 2. Sweet Sweet Song of Salvation

Written by: Larry Norman

When you know a pretty story  
You don't let it go unsaid  
You tell it to all of your children  
As you tuck them in the bed  
When you know a wonderful secret  
You gotta tell it to all of your friends  
And tell them that a lifetime filled with happiness is like a street that never ends

Sing that sweet sweet song of salvation  
And let your laughter fill the air  
Sing that sweet sweet song of salvation  
And tell the people everywhere

Sing that sweet sweet song of salvation  
Tell every man in every nation  
To Sing that sweet sweet song of salvation  
And let the people know that Jesus cares

Well look around you as you're singing  
There are people everywhere  
And to those who stop and listen  
That sweet song becomes a prayer

When you know a wonderful secret  
You gotta tell it to all of your friends  
And tell them that a lifetime filled with Jesus is like a street that never ends

Sing that sweet sweet song of salvation  
And let your laughter fill the air  
Sing that sweet sweet song of salvation  
And tell the people everywhere

Sing that sweet sweet song of salvation  
Tell every man in every nation  
To Sing that sweet sweet song of salvation  
And let the people know that Jesus cares

To Sing that sweet sweet song of salvation  
And let the people know that Jesus cares

## 3. And God Cried

Written by: Chris Machen, Robert Sterling

The last road was the longest he struggled for each breath  
The crowd that cried Hosanna now shouted for his death  
Arrested and deserted, condemned and lead to die  
The soldiers mocked the sinless man  
And God cried, and God cried

They pushed him up the hillside to the place where he would die  
They nailed him to a brutal cross against a blackened sky  
And there upon his shoulders the sins of man would ride  
"Please Father don't forsake me"  
And God cried, and God cried

One final cry of anguish, salvation's price was paid  
A massive stone now sealed the tomb, the place where Christ was laid  
Three days in the darkness it seemed that love had died  
And death and won it's victory and God cried, and God cried

And God cried Jesus is alive!  
The son of God is risen death is crucified  
The grave could not contain him, no stone could hope to hide

And God cried  
And God cried  
And God cried  
Jesus is alive

## 4. Blessed Is He

Written by: Timothy J. Haynes

Blessed is He who comes in the name of the Lord  
Blessed is He who comes in the name of the Holy God Most High  
Blessed is He who comes in the name of the Lord  
Blessed is He who comes in the name of the Holy God Most High

He is the holy messiah, our long awaited king  
He is the one who will save us, the Lord of everything

Blessed is He who comes in the name of the Lord  
Blessed is He who comes in the name of the Holy God Most High  
Blessed is He who comes in the name of the Lord  
Blessed is He who comes in the name of the Holy God Most High

He is our mighty redeemer, come to set us free  
See him riding in glory, He is our victory

Blessed is He who comes in the name of the Lord  
Blessed is He who comes in the name of the Holy God Most High  
Blessed is He who comes in the name of the Lord  
Blessed is He who comes in the name of the Holy God Most High

Hosanna, Hosanna to the King  
Hosanna, Hosanna to the King  
Hosanna, Hosanna to the King  
Hosanna, Hosanna to the King

Blessed is He who comes in the name of the Lord  
Blessed is He who comes in the name of the Holy God Most High  
Blessed is He who comes in the name of the Lord  
Blessed is He who comes in the name of the Holy God Most High

Blessed is He who comes, Blessed is He who comes  
In the name of the Lord, In the name of the Lord

## 5. I Will Do the Same

Written by: Timothy J. Haynes, Joe Beck

The heavens declare Your glory  
And I will do the same  
The skies proclaim the work of Your hands

And I will do the same

I will sing  
I will shout  
And glorify Your name  
All of creation testifies  
And I will do the same

The mountains bow down before your throne  
And I will do the same  
The trees of the fields clap their hands  
And I will do the same

I will sing  
I will shout  
And glorify Your name  
All of creation testifies  
And I will do the same  
I will sing  
I will shout  
And glorify Your name  
All of creation testifies  
And I will do the same

Grace flows down like a river  
From Your wounded side  
And I will sing  
To the giver of life...

I will sing  
I will shout  
And glorify Your name  
All of creation testifies  
And I will do the same

The mountains bow down before Your throne  
And I will do the same

## 6. Before the Throne of God Above

Written by: Charitie Bancroft

Before the throne of God above  
I have a strong and perfect plea  
The great High Priest whose name is love  
Who ever lives and pleads for me  
My name is graven on His hands  
My name is written on His heart  
I know that while in heaven He stands  
No tongue can bid me thence depart  
No tongue can bid me thence depart

When Satan tempts me to despair  
And tells me of the guilt within  
Upward I look and see Him there  
Who made an end of all my sin  
Because the sinless Savior died  
My sinful soul is counted free  
For God the Just is satisfied  
To look on Him and pardon me  
To look on Him and pardon me

Behold Him there, the risen Lamb  
My perfect, spotless Righteousness  
The great unchangeable I AM  
The King of glory and of grace  
One with Himself, I cannot die  
My soul is purchased by His blood  
My life is hid with Christ on high  
With Christ my Savior and my God  
With Christ my Savior and my God

## 7. I'm Redeemed

Written by: Darrell Toney

I'm redeemed. Yes I'm redeemed  
By the blood that Jesus shed for me.  
I'm redeemed. Oh...I am...I am redeemed.  
I'm redeemed. Yea.....

Yes I'm redeemed. I'm redeemed  
By the blood that Jesus shed for me.  
Cause he washed away my sin  
On the cross of Calvary.  
I'm redeemed. Yes I'm redeemed.  
By God's grace I'll live eternally  
I'm redeemed....I'm redeemed...Oh I'm redeemed.

One day I heard the story of God's only Son  
He came to earth and died for you and me.  
How He paid the price for sin by His precious blood.  
So we could be set free.  
Oh He conquered death and rose again and now as we sing  
He's seated at the Father's right hand.  
Now redemption through the blood of Emanuel  
Will lead us to that heavenly Land.

Well Jesus said I'll go prepare a place for you  
But I won't leave my children alone.  
I'll send the Holy Spirit to comfort you  
And guide you through your last journey home.  
I know right now that Heaven is preparing to  
Fulfill God's mighty master plan.  
And when the trumpet sounds we'll hear the angle sing  
He comes that precious blood washed lamb.

Yes I'm redeemed. I'm redeemed  
By the blood that Jesus shed for me.  
Cause he washed away my sin  
On the cross of Calvary.  
I'm redeemed. Yes I'm redeemed.  
By God's grace I'll live eternally  
I'm redeemed....I'm redeemed...Oh I'm redeemed.

## 8. Just A Closer Walk With Thee

Traditional Hymn

I am weak but Thou art strong.  
Jesus, keep me from all wrong.  
I'll be satisfied as long  
As I walk, let me walk, close to thee.

Just a closer walk with Thee;  
Grant it, Jesus, is my plea.  
Daily walking close to Thee,  
Let it be, Dear Lord, let it be.

When this feeble life is o'er,  
Time for me will be no more.  
Guide me gently, safely o'er;  
To thy kingdom shore, to thy shore.

Just a closer walk with Thee;  
Grant it, Jesus, is my plea.  
Daily walking close to Thee;  
Let it be, Dear Lord, let it be.

Just a closer walk with Thee;  
Grant it, Jesus, is my plea.  
Daily walking close to Thee;  
Let it be, Dear Lord, let it be.

## 9. Moses

Written by: Ken Medema

Oh Moses  
Way back there in the wilderness  
Saw some smoke  
Came to the bush  
And the bush was burning  
God said, "Take off your shoes Moses. For  
you're on Holy Ground. Moses, I've chosen you  
to be my man. Moses, over there in Egypt  
land. Moses, I've chose you to work for me.  
Moses, I've chosen you to set my people free."

Not me Lord. Don't you know I can't talk so  
good? I stutter all the time. Do you know my  
brother Aaron? Well, he can sing like an  
angel, talk like a preacher. Not me Lord I  
can't talk so good. And another thing, how will  
they know that I've been here with you? How  
will they know what you sent me to do? Don't  
you know in Egypt Lord they want little Moses'  
head? Don't you know in Egypt Lord they want  
little Moses Dead? Don't you know they'll never  
hear a single word I say? Maybe you better  
get your dirty work done another way. Not me  
Lord.

What's that in your hand, Moses?  
It's just a rod.  
Well, throw it down, Moses.  
Do you mean like on the ground.  
Yes, I said throw it down Moses.

Lord don't take this rod away from me. Don't  
you know that it's my only security? Don't you  
know that when you lived here all alone, a  
man's got to have something that he can call  
his own, oh please Lord?

Throw it down Moses  
But but but Lord I...  
Throw it down Moses  
But....  
Throw it down Moses

Moses through the rod on the ground and the  
rod became a hissing snake. Well, Moses  
started running. I bet you'd run. I know I'd run.  
He was a running from a hot rod, yeah.  
Running from a hissing snake. Running scared  
of what God's gonna do. Running scared  
he'd get a hold of you.

And the Lord said stop and pick it up by the  
tale. Lord, you have not lived here very long  
now. Lord, I believe you go this whole thing  
wrong. Don't you know that you never pick up  
a hissing snake by it's...Pick it up, Moses.

Oh God, it's a rod again.  
It's a rod again.  
It's a rod again.

Do you know what it means, Moses? Do you  
know what I am trying to say, Moses? The rod  
Moses, well you know, it became the rod of  
God. And with the rod of God...strike the  
rock...more water will come. With the rod of  
God you can part the waters of the sea. With  
the rod of God you can strike old pharaoh  
dead. And with the rod, Moses, you can set  
my people free.

So what do you hold in your hand today. To  
what or to whom are you bound. Are you will  
to give it...give it to God right now? Give it up.  
Let it go. Throw it down. Throw it down

## 10. When I Get Carried Away

Written by: Phil Cross, Carolyn Cross English

I'm gonna let the glory roll when the roll is called in glory  
I'm gonna get beside of myself when I get beside the King that day  
I'm gonna have the time of my life when the time of my life is over  
I'm gonna get carried away when I get carried away

Well I don't know why I become a little shy when I get around a whole lot of people  
And I can't figure out why I never can shout about the love that floods my soul  
I must confess I can't express the feelings deep inside me  
The things I know and cannot show one day will overflow

I'm gonna let the glory roll when the roll is called in glory  
I'm gonna get beside of myself when I get beside the King that day  
I'm gonna have the time of my life when the time of my life is over  
I'm gonna get carried away when I get carried away

Well I pass the clouds and shout so loud it may sound like thunder  
My tearful eyes may fill the skies until it looks like rain  
When I leave this world, pass the gates of pearl, and stand before my savior  
I'll let my soul let the glory roll when from the roll He calls my name

I'm gonna let the glory roll when the roll is called in glory  
I'm gonna get beside of myself when I get beside the King that day  
I'm gonna have the time of my life when the time of my life is over  
I'm gonna get carried away when I get carried away

## 11. What Wondrous Love Is This

Traditional Hymn

What wondrous love is this, O my soul, O my soul!  
What wondrous love is this, O my soul!  
What wondrous love is this  
That caused the Lord of bliss  
To bear the dreadful curse for my soul, for my soul,  
To bear the dreadful curse for my soul!  
When I was sinking down, sinking down, sinking down,  
When I was sinking down, sinking down,  
When I was sinking down  
Beneath God's righteous frown,  
Christ laid aside His crown for my soul for my soul,  
Christ laid aside His crown for my soul.  
To God and to the Lamb I will sing, I will sing;  
To God and to the Lamb I will sing;  
To God and to the Lamb,  
Who is the great I AM,  
While millions join the theme, I will sing, I will sing,  
While millions join the theme, I will sing.  
And when from death I'm free, I'll sing on, I'll sing on;  
And when from death I'm free, I'll sing on.  
And when from death I'm free  
I'll sing and joyful be,  
And through eternity I'll sing on, I'll sing on,  
And through eternity I'll sing on.

## 12. You Are Forever

Written by: Paige Greene, Angela Cottrel, Travis Cottrel

I am limited  
You are limitless  
I follow time  
You are infinite  
I see you through the darkness of a glass  
You see every heart and stone and every  
blade of grass

You are forever  
You are the vastness of the sky  
You are a painter  
Illustrating each sunrise  
You are creator  
Giving every being life  
More than these words can describe You are  
forever

I'm incapable  
You're all powerful  
I lose my way  
You are merciful  
I hear the music  
and I try to sing along  
you are the author and the orchestra of every  
single song

You are forever  
You are the vastness of the sky  
You are a painter  
Illustrating each sunrise  
You are creator  
Giving every being life  
More than these words can describe You are  
forever

And you go on and on and on and on  
Your love goes on and on

You are the vastness of the sky  
You are a painter  
Illustrating each sunrise  
You are creator  
Giving every being life  
More than these words can describe  
More than these words can describe  
More than our words can describe  
You are Forever

## 13. Hey Sugar

Written by: Blake Bolerjack

The dreaded call, the tears fall  
Oh the memories flood my mind again  
A grandma's love, now with God above  
I can't believe the time has come and gone  
As a little child, I loved to play around her place  
Then she'd come outside and call me home with  
a smile on her face

She'd say, "Hey Sugar" when I walked through the  
door  
And in her house I was never poor  
'Cause I'd feel the love that she has always shown  
She'd hug me tight and say, "I've waited for you,  
It's been a little while but you're right on cue,  
Oh I hope you know just how much I love you."  
And though the loss is hard and I feel so alone  
There's something special about when God calls a  
grandma home

Her family, her loyalty  
She's always there for anyone in need  
And when I strayed, I know she prayed  
She changed my life and taught me how to love  
And even when I grew up and lived far away  
I loved to go and see my grandma and for a while  
stay

She'd say, "Hey Sugar" when I walked through the  
door  
And in her house I was never poor  
'Cause I'd feel the love that she has always shown  
She'd hug me tight and say, "I've waited for you,  
It's been a little while but you're right on cue,  
Oh I hope you know just how much I love you."  
And though the loss is hard and I feel so alone  
There's something special about when God calls a  
grandma home

I imagine my grandma at Heaven's gate  
Being greeted by her Savior without a moment's  
wait

He will say, "Hey Sugar" when she walks through the  
door  
And in His house she is never poor  
'Cause she feels the love that God has always  
shown  
He hugs her tight and says, "I've waited for you,  
It's been a little while but you're right on cue,  
Oh I hope you know just how much I love you."  
And though the loss is hard and I feel so alone  
There's something special about when God calls a  
grandma home

Oh He called my grandma home  
Grammy's home.
