## 1. This Is How It Feels to Be Free

Written by: Dave Clark/Shawn Craig/Don Koch

There is a wall that has been standing  
Since the day that Adam fell  
Sin is where it started  
And Sin is why it held  
Speaking as a prisoner  
Who was there and lived to tell  
I remember how it felt

I can hear the sound of freedom  
Like a distant voice it called  
And beckon me to follow  
Where I had never gone  
And though my heart was willing  
I just stood there at the wall  
Praying somehow it would fall

But in a cross I found a doorway  
And a hand that held the keys  
And when the chains fell at my feet  
For the first time I could see

(Chorus)  
This is how it feels to be free  
This is what it means to know that  
I am forgiven  
This is how it feels to be free

(Chorus cont.)  
To see that life can be more than I  
imagined  
This is how it feels to be free  
This is how it feels to be free

There are days when I'm reminded  
Of the prison I was in  
Like a living nightmare  
Burning from within  
I can feel the voice of evil  
I can hear the call of sin  
But I won't go back again

See, once I've tasted freedom  
Then the walls could bind no more  
Since mercy gave me wings to fly  
Like an eagle I can soar

(repeat chorus)

Somewhere there's a prison  
Where the chains still bind  
There but for the grace of god  
Those walls could still be mine  
So for all the captives I say

(repeat chorus)

## 2. Sweeter As the Days Go By

Written by: Genser Smith

The more I trust Him,  
the more I love Him  
Nothing good for me He'll deny  
The longer I know Him, the better I can show Him  
I couldn't stop now if I tried

It gets sweeter as the days go by  
It gets sweeter as the moments fly  
His love is richer, deeper, fuller, sweeter  
Sweeter, sweeter, sweeter as the days go by

Oh, the moment He saved my His good grace He gave me  
He place His love down deep in my heart  
There's great joy in knowing with Him I am going  
And never more from Him to depart

It gets sweeter as the days go by  
It gets sweeter as the moments fly  
His love is richer, deeper, fuller, sweeter  
Sweeter, sweeter, sweeter as the days go by

It gets sweeter as the days go by  
It gets sweeter as the moments fly  
His love is richer, deeper, fuller, sweeter  
Sweeter, sweeter, sweeter as the days go by

Sweeter, sweeter, sweeter as the days go by

## 3. Unlikelies

Written by: Dixie Phillips/Sharon Phillips/Bert Johnson

God of abandoned, rejected, betrayed.  
God of the hopeless brought life to this clay.  
God of aborted, unwanted and plain.  
God of the children who never get named.

God of unlikelies and God of no chance.  
Bids beggars to banquets and cripples to dance.  
God of unlikelies chose unlikely me  
To be part of His family.

God of the orphaned, fatherless, and despised.  
God of the desperate gives light to the blind.  
God of the lonely, forgotten, and sad.  
God of the broken makes wounded hearts glad.

God of unlikelies never gives up on a diamond in the rough.  
God of unlikelies never gives up on a diamond still uncut.

## 4. Bound

Written by: Dixie Phillips/Sharon Phillips

I was bound by sin and I was bound by shame.  
Bound by the devil trying to ruin my name  
But now I'm bound for Heaven  
My sins are forgiven  
The lost has now been found  
Praise God I'm Heaven bound.

I was bound for destruction and bound for Hell.  
Bound for misery until I drank from His well.  
But now I'm bound for that City.  
Life's looking kinda pretty.  
The lost has now been found  
Praise God I'm Heaven bound.

I was bound to bound, but now I'm bound to be free.  
Bound to be His for all eternity.  
The lost has now been found  
Praise God I've Heaven bound.  
Yea, the lost has now been found  
Praise God I'm Heaven bound.

Bound by sin when I was lost. Bound by grace now that I'm found.  
Bound by sin when I was lost. Bound by grace now that I'm found.

## 5. I Bowed On My Knees

Written by: Bea Packer

I dreamed of a city called Glory  
It was so bright and so fair  
As I entered that gate, I cried holy  
All the angels met me there  
And They carried me from mansion to mansion  
And all The sights I saw  
I said I want to see Jesus  
He's the One who died for all

I bowed on my knees and cried Holy, holy, holy  
I clapped my hands and sang Glory,  
Glory to the Son of God  
Glory to the Son of God

When I entered the gates of the city  
My Loved ones all knew me well  
They took me down the streets of heaven  
All the saints were too many to tell  
I saw Abraham, Jacob and Isaac  
Talked with Mark, sat down with Timothy  
But then I said, I want to see Jesus  
He's the One who died for me

I bowed on my knees and cried Holy, holy, holy  
I clapped my hands and sang Glory,glory, glory  
I clapped my hands and sang Glory  
I clapped my hands and sang Glory  
I clapped my hands and sang Glory

Glory to the Son of God  
Glory to the Son of God

Written by: Shannon Wexelberg

Faithful God, ever true  
You are the One that we lean upon  
Faithful God, Lord it's you  
You are the One that we look upon  
Everyday Lord Your mercies are new  
Everyday Lord we are trusting in You

We've made a choice and we put our trust in You

## 8. Jesus Saves

Written by: Roger Bennett/Debbie Bennett

The church has been silent  
While the world raised its voice  
In loud and angry tones they took the lead  
But all across Creation  
There's a rumbling in the hills  
As the chosen ones of God stand up  
And make His message known

I'm gonna shout it from the housetops  
Proclaim it from the mountaintops  
Tell the world around me Jesus saves  
I have made my choice  
I'm gonna make a joyful noise  
The world will hear my voice, Jesus saves

The rocks and hills were ready  
To proclaim, "The Savior's mine,"  
But the Spirit of the Lord said they  
should wait  
You see, God knew His children  
Were ready to march on and proclaim His  
word  
Throughout the land and seal the devil's fate

But the world still tell us daily  
That God is not alive  
And Salvation's plan is just a fairy tale  
But their lies don't change the truth  
That Jesus died for you  
And the Word says His returning  
Can happen any day

Oh, I'm gonna shout it from the housetops  
Proclaim it from the mountaintops  
Tell the world around me Jesus saves  
Well, I have made my choice  
I'm gonna make a joyful noise  
The world will hear my voice, Jesus saves

I'm gonna shout it from the housetops  
Proclaim it from the mountaintops  
Tell the world around me Jesus saves  
Oh, I have made my choice, I'm gonna make  
a joyful noise  
The world will hear my voice Jesus saves  
Oh the world will hear my voice Jesus saves  
The world will hear my voice Jesus saves

## 9. The Secret Place

Written by: Steve Chapman

My heart is like a house  
One day I let the Savior in  
There are many rooms  
Where we would visit now and then

But then one day He saw that door  
I knew the day had come too soon  
I said, "Jesus, I'm not ready  
For us to visit in that room..."

'Cuz that's a place in my heart  
Where even I don't go  
I have some things hidden there  
I don't want no one to know"

But He handed me the key  
With tears of love on His face  
He said, "I want to make you clean  
Let me go in your secret place."

So I opened up the door  
And as the two of us walked in  
I was so ashamed  
His light revealed my hidden sin

But when I think about that room now  
I'm not afraid any more  
'Cuz I know my hidden sin  
No longer hides behind that door

That was a place in my heart  
Where even I wouldn't go  
I had some things hidden there  
I didn't want no one to know

But He handed me the key  
With tears of love on His face  
And He made me clean  
I let Him in my secret place

Is there a place in your heart  
Where even you won't go?

## 10. End of the Beginning

Written by: David Phelps

I was taking a trip on a plane the other day,  
just wishin' that I could get out.  
When the man next to me saw the book in my  
hand and asked me what it was about.  
So I settled back in my seat. "A best-seller," I  
said, "a hist'ry and a myst'ry in one."  
Then I opened up the book and began to  
read from Matthew, Mark, Luke and John...

(Chorus)

He was born of a virgin one holy night in the  
little town of Bethlehem.  
Angels gathered 'round Him underneath the  
star singing praises to the great I AM.  
He walked on the water, healed The lame,  
and made the blind to see again.  
And for the first time here on earth we learned  
that God could be a friend.  
And though He never, ever did a single thing  
wrong, the angry crowd chose Him.  
And then He walked down the road and died  
on the cross and that was the end...of the  
beginning."

"That's not a new book, that's a Bible," he said,  
"And I've heard it all before.  
I've tried religion, it's shame and guilt, and I  
don't need it anymore.  
It's superstition, made-up tales, just to help the  
weak to survive."

"Let me read it again," I said, "But listen closely.  
This is gonna change your life."

(Chorus)

"The end of the beginning?" he said with a  
smile. "What more could there be? He's dead.  
You said they hung Him, put nails in  
His hands and a crown of thorns on His head." I  
said, "I'll read it again, but this time there's  
more. And I believe that this is true: His death  
wasn't the end but the beginning of life that's  
completed in you.  
Don't you see, He did all this for you..."

"He was born of a virgin one holy night in the  
little town of Bethlehem.  
Angels gathered 'round Him underneath the  
star singing praises to the great I AM.  
He walked on the water, healed the lame,  
and made the blind to see again.  
And for the first time here on earth, we learned  
that God could be a friend.  
And though He never, ever did a single thing  
wrong, the angry crowd chose Him.  
And then He walked and He died, but three  
days later, three days later, three days later...  
He rose! Three days later He rose!

"He was born of a virgin one holy night in the  
little town of Bethlehem.  
He walked on the water, died on the cross, He  
is the Great I Am.  
Oh three days later He arose. The Son of God  
is alive!  
Oh three days later. My Jesus Is alive! He rose!

## 11. God Is God

Traditional

He's God up on the mountain  
He's God down at the sea  
He's all over creation and He's God all over  
me  
I know God is God  
And God don't ever change  
I know God is God and He always will be God

He's God on the platform  
He's God back at the door  
He's God in the amen corner and He's God all  
over the floor

I know God is God  
And God don't ever change  
I know God is God and He always will be God  
He's God when the lightning flashes  
He's God when the thunder rolls  
He's God way up in Heaven and He's God  
down in my soul

I know God is God  
And God don't ever change  
I know God is God and He always will be God

He's God in the Father  
He's God in the Son

He's God in the Holy Ghost and He's God all  
three in one

He was God to ol' Daniel  
God to the Hebrew three  
But this God of the Bible is the one who walks  
with me

I know God is God  
And God don't ever change  
I know God is God and He always will be God  
Yeah

He's God when the lightning flashes  
He's God when the thunder rolls  
He's God way up in Heaven and He's God  
down in my soul

I know God is God  
And God don't ever change  
I know God is God and He always will be God

He's God in the Father  
He's God in the Son  
He's God in the Holy Ghost and He's God all  
three in one  
I know God is God  
And God don't ever change  
I know God is God and He always will be God

## 12. I Can't Even Walk

Written by: Colbert Croft/Joyce Croft

I thought that number one would surely be me  
I thought I could be what I wanted to be  
I thought I could build on life's sinking sand  
But I can't even walk without you holding my hand

I can't even walk without you holding my hand  
Oh the mountain's too high  
And the valley's too wide  
Down on my knees, that's where I learned to stand  
But I can't even walk without you holding my hand

I thought I could do a lot on my own  
I thought I could make it all alone  
I thought of myself as a mighty big man  
But I can't even walk without you holding my hand

I can't even walk without you holding my hand  
Oh the mountain's too high and the valley's too wide  
Down on my knees, that's where I learned to stand  
But I can't even walk without you holding my hand

Down on my knees, that's where I learned to stand  
But I can't even walk without you holding my hand

## 13. I'm Still Amazed

Written by: Keith Turchan

I've walked for so many years along this trying, earthly world,  
I can't recall what life was like before I met the Lord.  
I've seen too many miracles to doubt the Lord is real,  
A wonder swells from within my heart, when I tell of how I feel...

I'm still amazed at who Jesus is!  
I am overcome by His great love that reached me where I was.  
I stand in awe to think He saw that I was worth becoming His,  
I'm still amazed at who Jesus is!

My failures and all the secret things are no surprise to Him,  
He looks beyond the outward face, and sees the prize within.  
He could have said, "You don't measure up – you're not what you should be..."  
Instead I find His astounding love still is reaching out to me...
